DDA SAFETY POLICY

It is our goal at DDA to keep your children safe at all times. Therefore, the following policies will be in effect during the performance.

Wristbands: All performers participating in Combination classes will be required to wear a wristband with his/her name on it during **performance day**. Each parent will receive one matching wristband. Your child will only be dismissed to the parent wearing the matching wristband. Pick up your wristbands in the lobby.

Dismissal will take place from the lobby at dress rehearsal and at the front of the stage on performance day. We will be dismissing your dancer by groups and ask that only the parent wearing the matching wristband come forward.

Backstage Policy: There will be absolutely no parents or guests allowed back stage at any time during the performance. An assistant will escort your child backstage. Our younger dancers will be assigned to helpers who will assist in lavatory or drinking fountain breaks, as well as any needed costume changes. These helpers will be keeping the younger children entertained backstage when they are not performing.

We understand that it may be difficult for the parents of younger children to not accompany your child backstage. Please be rest assured, they are in good hands and this policy is for the safety of all the performers.

Performance Rules

We would like to make this performance a fun and rewarding experience for everyone involved. Therefore, the following rules will be in affect on performance day.

No food or drink in the theater. This is a strict policy of the school.

No flash photography or video filming allowed during the performance.

Please stay seated during the performance.

SAFETY WARNING:

***Please note, during the performances, strobe and flashing lights will be used from time to time.**

Stage Make-up Instructions For Performers

Regardless of age, all students participating in the performance are required to wear make-up. Stage lights wash out most facial features, therefore every performer should wear foundation, blush and mascara. Girls may add neutral toned eye shadow (preferably browns or mauves) and red lipstick. If you choose, you may add lip liner and eyeliner. Make-up should be a bit heavy but we would like our performers to look young and beautiful!

There will be no make-up allowed backstage for ages 12 & under. This policy will be strictly enforced. Please apply make-up on your dancer before check in.

Hair Instructions for Night Show and Combo Students

These dancers should wear their hair pulled back away from the face (styled as parent chooses). Please, no extra clips, or tiaras! Be sure to secure all included hairpieces with bobby pins! Company Members are to wear their company specified hair style for the Night Show.

Hair Instructions for Ballet Classes Level I and Up

These dancers are required to wear a ballet bun with no bangs.

The instructions for a ballet bun are as follows: *A ballet bun should be very secure. To create this look, it is best to start with wet or slightly damp hair.*

- 1) Comb hair straight; use a palm full of hair gel and comb through hair thoroughly.
- 2) Pull hair back into a tight ponytail and secure with a thick hair band.
- 3) Twist hair around and form into a bun.
- 4) Place a hair net of the same color as your hair around the bun and wrap tightly.
- 5) Insert several bobby pins into the bun. It is best to start with the pin going away from the bun and then back toward the head and into the bun. Your bun should be tight and secure! Be sure you can move your head around freely without the bun coming loose.

The link will be provided to you on the performance day.**

Flowers

It is customary to present your performer with a small bouquet of flowers or a small gift on performance day. We will not have a Flower Vendor. There are many retailers in Castle Rock & Castle Pines who put together beautiful bouquets.

Photos

Recital Photos will be taken during your dancer's class time the week of May 11th.

Your dancer will need to arrive to each class in full costume (all accessories & tights). We like all the dancers to have pretty hair and some light make-up for photos. This year photos will be informal and parents will be allowed in to take photos of their choice.

Recital Tights

Each class has been assigned a specific color and style of tights for the performance. Tights can be purchased at the dance studio office in May. We will contact you with order information at a later date.

**Thank you for taking your time to read through this information.
If you have further questions, please contact the studio office.**

Our dancers are very excited to show all their hard work from this past season.

We are looking forward to an amazing performance!
